

OVERALL CORRIDOR CONCEPTS

Review the three preliminary concepts with recommendations for improvement.

GEOGRAPHIC CONCEPTS

Learn about each concept in detail with focus on the east, central and west portions of our study area.

WHAT WE HEARD

Check out the input we gathered during the last public meeting.

BACKGROUND

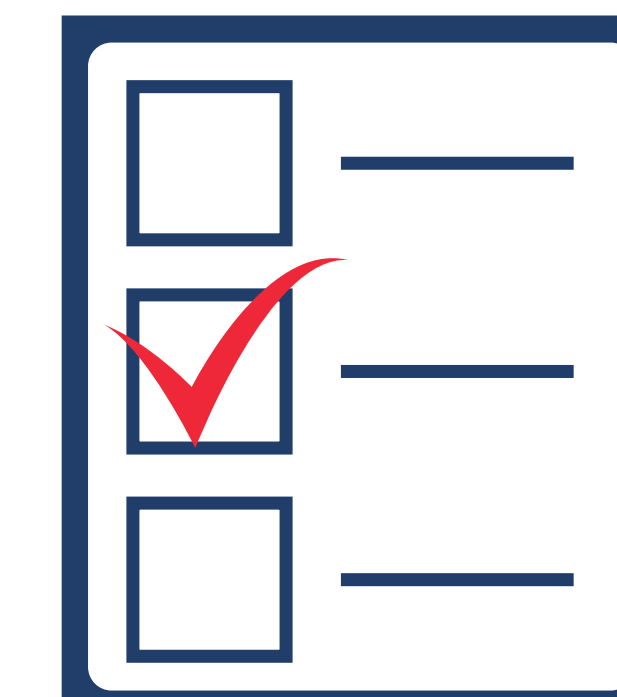

Learn about current developments, recommendations, and previous studies within the study area.

WELCOME

HAVE IDEAS? WE WANT YOUR INPUT

Take a look around the stations around the room to see how you can get involved.

CONCEPT VOTING

Vote and provide comments for your favorite overall and geographic-specific concepts.

START HERE

INTRODUCTORY PRESENTATION

Listen to our 20-minute presentation in which we explain the Study (6:30-6:50pm)

BUILD A STREET

Build a street cross section of your own using the cross section tiles provided.
